

GLGBA Members and Friends,

I can't believe that snow is falling again! But, I am assured that warmer weather is indeed just around the corner...Eh! I know....I'm still speaking Canadian after countless hours in front of the tube watching the Winter Olympics. Didn't our Canadian friends do an incredible job hosting? Makes you want visit Canada....and you will have that chance soon if you just read on.

But first, time to start planning your 2010 boating season and we hope you are planning on attending the 2010 Rendezvous to be held in beautiful Sturgeon Bay, WI at Center Pointe Marina. Linc and Shirley's Newsletter as well as our GLGBA website will also have pertinent information about the 2010 Rendezvous.

For your Rendezvous planning, be aware that we have firm commitments for both the 2011 and 2012 Rendezvous as follows. We certainly hope you can make all of them, but understand if you need to pace yourselves. You may also be interested in knowing that for the 2012 Rendezvous to be held in Parry Sound, Ontario there will be a flotilla similar to the one organized for the Soo Rendezvous providing several weeks of cruising through the North Channel ultimately ending in Parry Sound. So, you won't be alone for such a long and exciting trip to Canada. Marcia and I have cruised to Parry Sound and really look forward to that trip. Hope you can all join us for all the Rendezvous!

One last note, the Center Pointe Marina has several very nice cottages intended to be shared by two couples located right on the water at the Marina that they are offering to rent to our group. Cost, if split with another couple, is about \$142/day. If you are interested, I urge you to call the Marina soon to inquire (920) 746-1912. They book-up these very fast.

Shoot me an email if you have any questions and be sure to send in your Letter of Intent by April 15 to the Foy's (see bottom of Letter of Intent). This is not a commitment that you are coming.....just giving us a heads up of your plans.....but we sure do hope you come!

Regards, Tom
